RESPONSE TO OFFICE ACTION

Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

Sir:

In response to Office Action No. 1 in the above-referenced application, the Applicant encloses a Substitute Specification with revision to the Abstract and reordering of the Summary of the Invention to before the Brief Description of the Drawings, and requests reconsideration of the examiner's rejections based on the following discussion. No claim amendments are enclosed. The Specification amendments follow the remarks, which begin on page 2. A marked version of the Substitute Specification showing changes and a clean version are enclosed. The Substitute Specification contains no new matter.
